

Surplus Foods For Donation Or Reservice

Facility Name: _____

Facility Address: _____

Due to changes in the Washington State Administrative Code (WAC), the Snohomish County Health Department is requiring this process to be reviewed and approved prior to implementing.

Yes No Do you intend to rescue surplus foods for donation or re-service in your establishment?

Note: "Re-service" is the process of offering foods for sale again that were previously on display in a self-service buffet but were not selected or handled by customers in any way. Other conditions will apply per WAC 03372 parts 2&3.

If yes, please submit a written plan in accordance with WAC 246-215 (03372) for review and approval. The written plan should address the listed requirements below. An approved plan also includes the methods of training employees and corrective actions to ensure compliance.

1. Types of foods that will be available for donation or re-service:

2. Location of donated food storage within the establishment and methods:

3. Food Bank(s) or Donor Kitchen(s) receiving donations from your establishment (list):

4. Attach Employee training and designation for rescued food handling procedures.
